

Creative Cables

Explore creative use of cables with Jane on **Saturday Morning.**

You will make a spring bunny sample square that can be later incorporated into projects like afghans, mittens, and bags. Jane will lead you through the bunny and share tips on some of her other favorites like a owl, snowman, and even a Banjo!

Materials:

- worsted weight solid / light color yarn (doesn't need to be a full skein)
- Size 7 or 8 needles could be straights or circular
- cable needle
- usual knitting notions
- magnetic line minder board might be handy

Be A Star!!

We will be learning 2 different types of knitted stars and coming up with clever things to do with them!!

For the stars you will need an

- assortment of dk weight yarns
- straight and double-pointed needles, size 3
- Usual knitting notions

Optional kits will be available for purchase to make the stars in various colors.
